

3rd SPRING SCHOOL 2017-2018

Master's Program "Mathematics Education"

13th and 14th April 2018

Venue: Tower of the Faculty of Education, Aristotle University of Thessaloniki - Large Auditorium, Ground Floor

Program

Friday 13th of April 2018

18:00-19:00. Presentation: "What, when, and why – In search for various obstacles for mathematical reasoning" by Professor Wim Van Dooren, University of Leuven, Belgium.

19:00-19:30. Coffee break

19:30-21:00. Workshop: "When it all adds up: The role of preferences in the development of multiplicative reasoning" by Professor Wim Van Dooren, University of Leuven, Belgium.

Saturday 14th of April 2018

11:00-12:00. Presentation: "The development of quantitative reasoning" by Professor Terezinha Nunes, University of Oxford, UK.

12:00-12:30 Coffee break

12:30-14:00. Workshop: "Teaching probability in primary school" by Professor Terezinha Nunes, University of Oxford, UK.
